Robert L. Davis, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellant appeals from the district court's order denying relief on his 42 U.S.C. § 1983 (1988) complaint. He has moved to dismiss Defendants Exum, Arnold, Eagles, Walker, Barnette, Brodes, and Allsbrook. We grant this motion to dismiss. As to the remaining Defendants, we have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm as to these Defendants on the reasoning of the district court. Davis v. Exum, No. CA-95-137-7-BR3 (E.D.N.C. Oct. 4, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
